Minneapolis Bonus Rebate Application

The Minneapolis Bonus Rebate Program offers an additional rebate from the City of Minneapolis for homeowners who made eligible energy improvements and received a utility rebate. To qualify for a rebate, the eligible improvements must have been made in the past 60 days and the total rebate amount from the City and Utility cannot exceed the total project costs. Visit mncee.org/mpis to learn more about who is eligible for this bonus rebate and a full list of eligible projects.
